## Director's Meeting

Wednesday, 20 June 1951

| 5X1<br>5X1 | Mr. Jackson reported that the Committee for Free Europe had asked Dr. to investigate their research and analysis work. He said that  couldn't be spared and he planned to send   | 25X1 |
|------------|--|------|
|            | Mr. Jackson reported that a Mr who had worked for Pace and Alexander on scientific research and development but had difficulties with the military was available. The Director said that he believed it unwise to take on anyone who had left the Pentagon because of such difficulties. | 25X1 |
| 5X1        | There was discussion of procurement of material and the Director recommended   |      |
|            | Mr. Jackson reported that he found the Southeast European Division in O/SO to be one of the best that he has screened so far.  |      |
| -          | Mr. Wolf reported that Drpapers had been arranged and that he would be a consultant to the agency until the academic year starts.  | 25X1 |
|            | It was reported that there was a considerable delay in trans-<br>mission of material from AFSA to O/CI. Mr. Wolf stated that a report  |      |

had been prepared by the Advisor for Management on this subject.
